Elégant, profond, raffiné, la sève des vieilles vignes, un vin sérieux mais de grande finesse florale et d'un raffinement brillant.

Jeff Leve
- The Wine Cellar Insider -

Fresh with dark red berries, smoke, earth and forest floor notes, this wine has firm tannins, which need at least five years to further soften and develop.

JAMES SUCKLING.COM

Extremely dense, fruity and full bodied, yet it's also tight and very refined, with silky tannins and a flavourful finish. There is something in the making. Best in years.
